SMD Country Index

- The Trademark Practitioner's Guide
- Proceedings and regulations
- More than 200 countries

SMD Country Index

The SMD Country Index presents valuable trademark-related details for more than 200 countries. The website, e-mail newsletter and various publications serve brand owners and IP professionals for reference purposes in their daily work.

www.country-index.com provides you with essential information.

- Trademark laws and regulations worldwide, for example proceedings, opposition periods, duration, grace periods of renewal, use requirements and more
- Contact details and profiles of law firms worldwide
- Addresses of trademark offices and institutions worldwide and further useful sources on IP

The free newsletter keeps you up to date on a regular basis.

The periodic newsletter notifies its readers on the latest developments in international trademark laws and practice. You will receive regular e-mails with updates on recent amendments.

To subscribe, please write to info@country-index.com.

You may use the website to promote your law firm to potential clients.

As a law firm, you are cordially invited to get listed on the Country Index website. If you decide to become a partner, your contact details and profile will be listed next to your home country. In this way, you will promote your IP expertise to the users of the Country Index and receive international recognition.

Two different advertising options are available.

Gold Partnership

- Top position
- Maximum two per country
- Contact details and profile
- Link to your website

Silver Partnership

- Second position
- Placed below Gold Partners
- Contact details and profile
- Link to your website
- Logo or photo

INFORMATIVE, VALUABLE, UP TO DATE.

Our practical publications were compiled with the assistance of local attorneys.

The Trademark Practitioner's Guide

The guide informs about trademark regulations in more than 170 countries. It adds valuable support for trademark owners and their legal representatives when entering foreign markets.

Grace Periods for Renewal

The guide contains regulations, proceedings, and grace periods for trademark renewals in more than 140 jurisdictions worldwide. It is essential for owners and agents managing large international trademark portfolios to avoid late renewal fees and loss of rights.

Trademark Use Requirements

The publication encompasses essential information on more than 150 jurisdictions. It is useful for law firms and brand owners who manage trademarks internationally. It assists them in keeping abreast of the various use requirements across countries.

Trademark Licensing

The handbook provides practical details on licensing procedures, requirements and effectiveness in over 140 jurisdictions. It is valuable for brand owners or their representatives when commercialising their trademark rights internationally.

The publications can be ordered online on our website www.country-index.com.

SMD clients receive free access to information on use requirements and grace periods at www.country-index.com. Please contact us for more information

This is what loyal Country Index users say:

The Country Index is probably the most valuable tool that I have to quickly check the trademark regulations for a given jurisdiction. I have the site as a favorite on my toolbar and use it at least several times a week.

Elizabeth Kinsley, Kellogg Company, U.S.A.

The Country Index newsletter provides me with relevant and up to date high-class IP news. I also like to use the website for reference questions in my daily work.

Dr Kristofer Bott, Graf von Westphalen, Germany

Country Index is an excellent search tool of trademark law & practice.

GAO Xiang, Partner, P.C. & Associates, China
